

# I want to keep Woodbridge a great place to live, work and play.

Fifteen years ago, my wife and I moved to Woodbridge. We fell in love with the area—the trees in our backyard, the Potomac River and the open space. We knew this was where we wanted to start our family and our small business. But our community is changing fast, with traffic congestion, overcrowding in schools, and increased crime. We are beginning to lose the quality of life we want here.

As Chairman of the Prince William County Future Commission, I am working with fellow citizens to define a positive vision for our county. As your Supervisor, I won't stop working to deliver a vision that will protect the quality of life for our children and ourselves.

Frank J. Principi

**Vote for Frank J. Principi, Democrat for Woodbridge District Supervisor, in the Democratic Primary on Tuesday, June 12th.**

# There's a reason I'm running for the Board of Supervisors.

— Frank J. Principi

**Frank J. Principi, Democrat for Woodbridge District Supervisor**

Vote June 12th

# Frank J. Principi— a Democrat we can count on to protect our quality of life.

**Solving Our Traffic Congestion.** We will bring together the area's major employers—business, federal government and the military—to consider variable work hours, reverse commutes, telecommuting, off-hour retail business deliveries, more 24-hour, and expanded bus, rail, and river options.

**Preserving Open Spaces & Stopping Over-Development.** We will find a balance between good development that brings jobs, retail opportunities, and a resurgence to older neighborhoods. We will not cut down every tree anymore. As chairman of the Prince William County Future Commission, I am developing a vision to grow our county safely and smartly all the way to 2030.

**Ensuring Education Funding.** Providing a quality education for our children is one of government's most important responsibilities. As your Supervisor, I will work with School Board officials to ensure Prince William County public schools receive the funds necessary to provide a "world-class education" for our children.

**Protecting Our Citizens.** As we have grown, crime has become a real problem. As your Supervisor, I will always fight against budget cuts in police, fire, and EMS to ensure we have the right number of police on the street and the resources they need to keep our streets safe.

**Restoring Social Services.** Our quality of life is measured by how we help those who need help the most. The recent budget process has resulted in significant cuts to these services, including early intervention drug and health counseling, mental retardation support, and suicide intervention. These budget cuts must be restored to protect the quality of life for everyone.

**Join me on June 12th and together we'll keep Woodbridge a great place to live, work and play.**

**— Frank J. Principi**
